Instructions for Online Interview

- Interviews will be conducted from 9:30 am to 6:00 pm on June 14th, 2022 in different time slots given below. All the candidates should be available in their respective time slots.
- Candidates can use laptop/desktop/smart phone with good quality camera for the interview. Please ensure to get adequate internet speed.
- Candidates should give the interview from an isolated place where no one else is present during the interview.
- During interviews via videoconferencing, candidates are not supposed to record the proceedings of the interview or indulge in any malpractice during the course of the interview. In case violation of any of this is found at a later date, then it may lead to cancellation of the admission. IITD academic units may however record the interview, if desired, using the videoconferencing software, for future record and reference.
- Candidates should have **blank pages and pen** as they may be asked to write/derive some equations or explain some mechanism.
- All the interviews will be conducted through **Microsoft Teams**. Depending upon the project choices, each candidate will be emailed a link that will directly take the candidates to the video chatting page. If you are using a mobile, you need to download Microsoft Teams apps from the Play/App store. Please enable your audio and video before entering the chatroom.
- During their time slots, the candidates can stay in the lobby of the videoconferencing room. A committee member will admit the candidate for the interview whenever his/her turn comes in. If needed, the candidate will be called over mobile phone just before his/her interview for asking to click on the link for the interview or to instruct for some other process.
- Interviews will be conducted by four committees formed for specific projects as given below:-

	Committee 1	Committee 2	Committee 3	Committee 4
Projects	6,7,8,2,3,17,22,12,13, 11,1,36	5,10,34,35,38,32, 16,44,28	18,24,14,15,19,45,23,30, 29,42,40	9,37,39,25,26,41,20, 4,27,21
